FOR NEW APPLICANTS UNDERGOING HOUSING CHOICE VOUCHER PROGRAM ELIGIBILITY

We regret to inform you that we have exhausted our funds for new applicants and are currently assisting the maximum number of families our current funding can support.

Request for Tenancy Approval that are submitted by applicant voucher holders will be honored as long as the unit passes inspection and the family takes possession. If the unit ultimately does not pass inspection, the family may have the option to request another RTA to search for another unit as long as the voucher is not expired.

All applicants will NOT be placed back on the waiting list. As funding becomes available, applicants will be contacted by mail to update their file or continue with the eligibility process.

Meanwhile, we ask that applicants continue to report, *in writing*, all changes to the household to the address listed below. The head of household's name and Tenant ID number must be included on all written communication.
